NEW PORT RICHEY, Fla. ([PRWEB](#)) April 17, 2021 -- Times are tough for companies all across the country and Friendly Kia is looking to get things moving in the right direction after qualifying for a new trade-in program. The Vehicle Stimulus Program has been created to help local dealerships replenish their inventories that have been depleted of product over the last few months and Tampa Bay's Friendly Kia dealership meets the qualifications. As a part of this program, the dealership is ready to pay car owners across St. Petersburg, Clearwater, New Port Richey and the Tampa Bay area a pretty penny for their current vehicles.

As a part of the Vehicle Stimulus Program, Friendly Kia is looking to get as many vehicles onto its lot as possible and is offering to pay top dollar for trade-ins.
