

## **Washington Dealership Adds Informative Research Pages of New Toyota SUVs to Website**

*Toyota of Puyallup keeps SUV shoppers informed with new Toyota SUV model research pages*

PUYALLUP, Wash. ([PRWEB](#)) May 12, 2022 -- Shopping for and choosing the right new SUV for a driver's specific needs is now much easier thanks to a local Toyota dealership in Washington. Toyota of Puyallup is helping drivers learn more about its most popular SUVs by adding informative model research pages of these models to its website. With the valuable information now readily available, SUV shoppers can now make an informed decision when choosing their new SUV. Research pages include information about the new 2022 Toyota Highlander, 2022 Toyota Highlander Hybrid, 2022 Toyota RAV4 and 2022 Toyota RAV4 Hybrid.

The [2022 Toyota RAV4 model research page](#) offers a closer and more detailed look at this popular compact crossover SUV and includes information such as its performance specifications, safety features and available technology and comfort features. The 2022 Toyota RAV4 Hybrid model research page offers drivers a similar set of details and information that will help them learn more about this new model.

Drivers who are looking for a larger crossover SUV that can give them increased passenger space as well as more cargo room will find the [2022 Toyota Highlander model research page](#) full of great information. Shoppers that like the offerings of the new Highlander but want a higher fuel economy rating will find what they are looking for in the 2022 Toyota Highlander Hybrid. Both model research pages will give drivers the information they need to make a smart and informed buying decision.

To learn more about the new 2022 Toyota Highlander, 2022 Toyota Highlander Hybrid, 2022 Toyota RAV4 and 2022 Toyota RAV4 Hybrid, crossover SUV shoppers can visit the Washington Toyota dealership's website by going to [www.toyotaofpuyallup.com](http://www.toyotaofpuyallup.com). Drivers may also contact the dealership to ask questions or to schedule a test drive in one of these new Toyota SUV by calling 253-286-6000 or by driving to 1400 River Road.
