

Sell Your Vehicles Easily at Chris Auffenberg Family of Dealerships

Chris Auffenberg Family of Dealerships is buying all types of vehicles throughout Missouri and Illinois

CAPE GIRARDEAU, Mo. ([PRWEB](#)) August 26, 2021 -- People who are thinking of selling their current vehicle are in luck now, as Chris Auffenberg Family of Dealerships is buying used vehicles throughout Missouri and Illinois. Drivers can sell their car without having to purchase one from the dealership. The process of selling a car is straightforward and quick.

Interested drivers must provide information about their vehicle like the year, make, model, trim, mileage, VIN, loan amount (if applicable), vehicle condition and contact information. After the submission of the form, the dealership will give an estimate of what they can offer to the drivers.

If the drivers are pleased with the offer made by the dealership, a walk-around and appraisal will be scheduled. Chris Auffenberg Family of Dealerships just wants to inspect the vehicle and ensure that the vehicle is in good condition. Then, either the drivers can take their vehicle to Chris Auffenberg Family of Dealerships in any of the seven locations, or the dealership will send their team to the driver's home to take their vehicle. Upon completion of these steps, if the vehicle owners are satisfied and happy, the dealership will provide owners with a check within 10 days.

Interested customers who want more information about the vehicle selling process can visit the Chris Auffenberg Family of Dealerships' official website chrisauffenberg.com. Vehicle owners who have questions and want to talk to someone from the dealership can contact one of the seven locations. Individuals can also go to the dealership directly and inquire about sales with dealership locations in Cape Girardeau, Farmington, Mexico and Washington, Missouri as well as Carbondale and Herrin, Illinois.
