**DALLAS** — The Texas Motorplex here Friday and Saturday is the location for the latest Street Car Super Nationals, joining its sister events in Las Vegas and St. Louis. SCSN: Dallas is sharing the track with [the Extreme Oil & Fuel 2022 ADRL Tour Presented by RJS Racing Equipment](#), the ADRL's return to the Lone Star State.

SCSN Promoter Mel Roth, who also handles operating duties for the ADRL, said the move to create the third event of his signature series came after running ADRL at the Motorplex two years ago.

"We haven't wanted to rush these events to facilities that can't handle them," he said. "Las Vegas has been an

### About the Premier Street Car Association:

The Premier Street Car Association, along with its signature event the Street Car Super Nationals, exists to provide the sportsman drag racer with a safe, world-class facility in which to race the best competition in the nation. The PSCA and its staff have built a solid reputation of honesty and loyalty to its fans, drivers, and marketing partners for the past 20+ years. It is the goal of our organization to promote grass roots drag racing throughout the country in an effort bring the joy of the sport to both new and veteran fans, both young and old.

incredible partner for almost 20 years and we have a great relationship with World Wide Technology Raceway. Both have world-level racing surfaces and track crews. The Texas Motorplex is on the same level and we can't wait to get this show kicked off Friday."

Racer credentials and pit parking open at Noon Thursday with tech inspection beginning at 2 p.m. local time. An open test session is scheduled to start Thursday evening at 6. Fan gates open at Noon Friday and Saturday with Index/Jr. Dragster quals kicking off the on-track Friday at 4:30 p.m. with ADRL Pro Extreme qualifying beginning at 5:30. Final qualifying starts Saturday at 2:30 with pre-race ceremonies beginning at 5 p.m.

For the full weekend schedule, click [HERE](#).

Along with the ADRL's fire-breathing Pro Extreme class and Big- and Small-Tire No-Time classes, SCSN: Dallas features 5.0-, 6.0-, and 7.0-index classes and grudge racing throughout the weekend. Top Jr. and Pro Jr. Dragsters round out the full field of hot rods racing deep in the heart of Texas.

As with all ADRL events, tickets for Dragstock and SCSN: Dallas are completely FREE and it's only \$20/carload to park. To print out as many tickets as needed, click [HERE](#).

For those who can't make the show, FloRacing has it covered with live coverage of both days of drag racing from the Texas Motorplex. To ensure not a single moment of action is missed, click [HERE](#) and bookmark it for the weekend. The full event page on Facebook can be found [HERE](#).

#### About the Premier Street Car Association:

In its 23rd season, the Premier Street Car Association, based near Denver, has been a staple of doorslammer drag racing since its inception. With a mixture of heads-up, no-time, and bracket/index classes, the PSCA provides some of the best racing in the country for both fans and racers. The PSCA season is capped off by its Street Car Super Nationals at The Strip at Las Vegas Motor Speedway, now in its 18th year.
