

GTR Newsletter GTR 2017 NNL 10 *Special Edition*

Hello GTR and Friends:

Welcome to **IPMS GTR's Special Show Edition**. With this issue, we are celebrating the coverage of our 10th annual GTR NNL model car contest and swap meet held on Sunday August 6, 2017 at the Algonquin Township offices in Crystal Lake, Illinois. Show statistics indicate that there were 29 entrants to the contest and 202 models on the tables. We didn't keep track of the gate but we had a big crowd.

This special edition is our very first ever GTR NNL special edition newsletter. It is being sent out to our fans and supporters of the IPMS GTR model car club and our show. Please enjoy this issue and we hope to see you again at next years' show! The following show photos were taken for this newsletter as a courtesy to our members and friends. All newsletter content is the property of IPMS GTR. I would like to take this opportunity to personally thank you to the setup and take down crew that came to our regular club meeting the night before the show to set up, and to take down after the show at the end of the day. Thanks to those that prepared the kit raffle and numerous other small tasks in preparation for the show. A big shout out to **Gerry Paquette** for setting up his photo booth and for doing such a fine job taking pictures of the great models displayed on the tables. We will let you know when and where to look for the show coverage when published.
