) AND FINAL ORDER

PRELIMINARY STATEMENT

This proceeding for the assessment of civil penalties was initiated pursuant to Section 113(d) of the Clean Air Act ("CAA"), as amended, 42 U.S.C. § 7413(d), when Complainant issued to Respondent a Complaint and Notice of Opportunity for Hearing.

The Complaint served as notice that Complainant had reason to believe that Respondent had violated the Stratospheric Ozone Protection requirements at 40 C.F.R. Part 82, Subpart B, and Respondent was therefore in violation of Section 609 of the CAA, 42 U.S.C. § 7671h and as notice of Complainant's intent to issue an order assessing penalties for such violations. A proposed civil penalty was set forth in the Complaint for such violations.

The parties subsequently entered into negotiations in an attempt to resolve the allegations of the Complaint; the Consent Agreement set forth below is the result of such negotiations with Respondent.

CONSENT AGREEMENT

1. For purposes of this proceeding, Respondent admits the jurisdictional allegations of the Complaint and neither admits nor denies the factual allegations of the Complaint, including Counts I and II.

2. Respondent hereby explicitly waives its right to contest the factual allegations and to appeal the Final Order accompanying this Consent Agreement.

3. For purposes of this proceeding only, Respondent consents to the issuance of the Order set forth below and consents to the payment of a civil penalty in the amount hereinafter recited.

4. Failure to timely pay any portion of the civil penalty assessed may result in commencement of a civil action in Federal District Court to recover the full amount due, along with penalties and accumulated interest at the rate of 5% per annum pursuant to Section 113(d)(5) of the CAA, 42 U.S.C. 7413(d)(5).

Additionally, Respondent's failure to submit, in a timely manner, any of the below required payments, will result in the entire remaining balance becoming immediately due and payable, along with any costs, handling charges, penalties, and accumulated interest.

5. No portion of any civil penalty, interest or penalties paid by Respondent pursuant to the requirements of this Consent Agreement and Final Order shall be claimed by Respondent as deductions for federal, state, or local income tax purposes.

6. Nothing contained in this Order shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state and local environmental statutes and regulations and applicable permits.

7. Each signatory to this Consent Agreement certifies that he or she is fully authorized to enter into the terms of this Consent Agreement and Final Order.

FINAL ORDER

1. Respondent shall pay a mitigated civil penalty of Three Hundred Dollars (\$300) in two (2) equal payments of One Hundred and Fifty Dollars (\$150) each. The first payment shall be due and payable within thirty (30) days of the effective date of this Order. The second payment shall be due and payable within sixty (60) days of the effective date of this Order.

2. Payments shall be by cashier's or certified check, made payable to the United States Treasury, shall bear the docket number for this matter, and shall be mailed to:

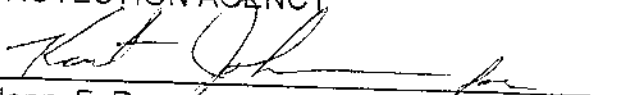

EPA - Region VII
Regional Hearing Clerk
