Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

KAWASAKI/CONCOURS 14/2008-2012

Mfr's Report Date: July 18, 2012

NHTSA Campaign Number: 12V-343

Components:

SERVICE BRAKES, HYDRAULIC
STRUCTURE:FRAME AND MEMBERS

Potential Number of Units Affected: 13,289

Problem Description:

Kawasaki is recalling certain model year 2008-2012 Concours 14 (ZG1400 A/B/C/D) motorcycles. Due to a gap between the brake pedal and guard, small stone or debris can become trapped, creating a brake drag. This can cause the rear brake to overheat, leading to rear brake damage and lock-up or failure of the rear brakes. The front brakes may also be affected on ZG1400C models.

Consequence:

If the brakes lock up or fail, there is an increased risk of a crash.

Remedy:

Kawasaki will notify owners, and dealers will replace the rear master cylinder rod end and remove the brake guard (if installed), free of charge. The safety recall is expected to begin on, or about, July 30, 2012. Owners may contact Kawasaki at 1-866-802-9381.

Notes:

Customers may contact the National Highway Traffic Safety Administration's Vehicle Safety hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We have received Kawasaki's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

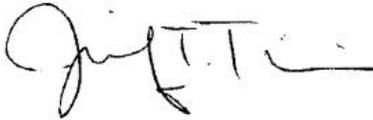

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
