

**FOR IMMEDIATE RELEASE**

## **TNT Super Series heads to Western New York for two races this Memorial Day weekend**

*Second annual Memorial Day weekend events are powered by Steve's Electric!*

**NEW YORK (May 21, 2013)** For the second consecutive year, the Memorial Day weekend will see the Joe's Transmission TNT Super Series hold a two-race weekend in Western New York, powered by Steve's Electric. With RACE 1 being rained out two weeks ago, this double header will be the first time the drivers hit the drag strip for TNTSS competition in 2013.

***Steve's Electric Co. LLC***

Friday May 24th will see the series return to Elegant Builders Raceway Park (EBRP) in Lancaster, NY and then Saturday May 25th the series heads to Empire Dragway in Leicester, NY.

TNTSS Director Ted Barnes says that everyone involved in the Joe's Transmission TNT Super Series is proud to celebrate the Memorial Day weekend on the race track. "It's because of the men and women in uniform that serve in both Canada and the US, especially those that have given their lives, that allow us the freedoms to do what we like to do."

And having the folks from Steve's Electric presenting this weekend is a perfect fit. "Three generations of McCarrick's have served in uniform - Steve's father, his son and Steve himself."

What makes this weekend unique on the track is going from 1/8 mile racing on Friday to 1/4 mile racing on Saturday. To be successful in the TNTSS, competitors need to be good in both formats.

Tom Coonly and Dave Surmatchewski, both TNTSS regulars, were winners at last year's Memorial Day weekend events. Both will be there to defend their titles along with many other contenders looking to earn a spot in the Dilts Piston Hydraulics Race of Champions coming up in August.

Qualifying starts at 5pm on Friday at EBRP and then 2pm on Saturday at Empire. Go to [www.elegantbuildersraceway.com](http://www.elegantbuildersraceway.com) or [www.empiredragway.com](http://www.empiredragway.com) for all the details.

### **About Steve's Electric**

Steve's Electric Co is located on Griffith Rd in Phelps, NY. In business since 1976, they do commercial, farming, industrial & residential electrical work along with complete installation, maintenance & repair. Call Steve and his team at (315) 548-9340 for all your electrical needs.

### **About the Joe's Transmission TNT Super Series (TNTSS):**

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.

### **About Joe's Transmission**

Joe Boniferro has owned and operated Joe's Transmission Service in Niagara Falls, Ontario since 1984. From the original single bay location, the business has progressed to a six bay, five employee automotive complex on Arthur Street. The two storey building houses Joe's Transmission (Commercial, Fleet and Performance Divisions) and Al's Radiator Service. They sell and install aftermarket high performance parts and accessories. As a Firestone Dealer they sell and install drag racing tires. Their specialty is building and repairing high performance transmissions. Contact Joe and his team at (905) 374-6116 or visit them online at [www.joestransmission.com](http://www.joestransmission.com) .
