TNT Super Series takes to Cayuga Dragway for two races this weekend

2013 season gains momentum heading into heat of the summer!

CAYUGA, ONTARIO (June 5, 2013) Cayuga Dragway at Toronto Motorsports Park will host a double race weekend June 8-9 in the 2013 Joe's Transmission TNT Super Series with REVS Full Throttle Powersports presenting the highly competitive sportsman drag racing series.

TNTSS Director Ted Barnes is excited to have REVS Full Throttle Powersports partner again in 2013. "These guys have supported us for many years and drag racing events of the calibre of the TNTSS don't happen without high performance partners like REVS."

Currently known as Bieda's Powersports, the Niagara company is changing their name and location on July 1st. "These guys know what high performance is all about, making them a perfect fit with the high level of competition in the TNTSS and with our fans," he added.

Last year's double-header event saw JJ Jablonski in both final rounds on his way to the 2012 TNTSS points championship - a win on Saturday and a runner-up to Andrew Stirk on Sunday.

After a record field two weeks ago that paid \$1000 to the winner, the TNTSS is looking for big numbers as the series rolls into the historic Kohler Rd facility. Sam LoVetro Jr is the current championship points leader and will be looking to increase his lead this weekend.

Also joining the TNTSS this weekend is the fan-favourite Can-Am Stock/Super Stock Series and the DSE Sportsman Racing Series.

Gates open Friday at 6:30pm for weekend camping with qualifying set for 11am on Saturday and 10am on Sunday. Visit www.torontomotorsportspark.com for full weekend details.

With two TNTSS events now cancelled due to weather, stay tuned to www.tntsuperseries.com for information on potential re-scheduled dates, along with all the latest information on the most watched sportsman series in the country.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
