Traffic Advisory

**U.S. 285 / I-40 Interchange
Clines Corners – Night Closures**

Clines Corners–The New Mexico Department of Transportation (NMDOT) continues improvement work on the U.S. 285/ I-40 interchange at Clines Corners.

On April 15, the westbound I-40 lanes will be **CLOSED** from 9:00 p.m. to 5:00 a.m. On April 16, the eastbound I-40 lanes will be **CLOSED** from 9:00 p.m. to 5:00 a.m. I-40 traffic will be detoured through the ramps at the Clines Corners Interchange. The closures will be necessary for the installation of stay-in-place deck forms for the Clines Corners bridge widening.

In addition to the work being completed at night, there will be construction activity during daylight hours and intermittent lane closures on the east and westbound lanes of I-40.

The Federal Highway Administration and the NMDOT have partnered to fund the improvements. The project cost is \$9,858,988 and is scheduled for completion in June of 2015, weather permitting. Mountain States Constructors of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website www.nmroads.com
