Traffic Alert

**Update for Union Ave. Closure In Las Cruces
August 15 and August 16**

Las Cruces - The New Mexico Department of Transportation (NMDOT) along with La Calerita Construction continue with work at the I-10/Ramp E. Bridge and the I-10/Union Ave. Bridge in Las Cruces.

La Calerita Construction will be removing the existing bridge and work will begin on the I-10 and Union Ave. closure beginning 5:00 a.m. on Saturday, August 15, 2015 through 6:00 a.m. on Monday, August 17. In the event that additional bridge removal work becomes necessary, work may continue on August 22 and 23.

Northbound Union Ave. traffic will be detoured via Stern east to Cholla Rd./Broadmoor Rd. north to Sam Steel Way, then west to Union Ave. to get the traffic around the work zone. Southbound traffic will need to utilize the same detour traveling in the opposite direction. Detour signing will also be in place for using the University Avenue to South Main Street detour to get around the work zone.

The NMDOT and La Calerita Construction will have their next month Public Involvement meeting Tuesday, August 11, 2015 at 6:00 p.m. at the NMDOT Las Cruces Complex 750 N. Solano, Las Cruces, NM 88005.

For information regarding this project contact Ryan Tafoya, NMDOT District One Project Manager at (575) 525-7313 ryan.tafoya@state.nm.us, or Bridget Spedalieri, NMDOT at (575) 525-7340 bridget.spedalieri@state.nm.us .
