Update for Union Ave. Closure August 15 and 16, 2015

Las Cruces - The New Mexico Department of Transportation (NMDOT) along with La Calerita Construction continue with work at the I-10/Ramp E Bridge and the I-10/Union Ave. Bridge in Las Cruces. La Calerita Construction will be removing the existing bridge as per the schedule itemized below. Detour signing will be in place to guide motorists through and around the work zone.

The work scheduled for I/10 and Union Ave. Closure is as follows:

- Saturday, August 15, 2015
- Sunday, August 16, 2016

It is anticipated that the removal of the existing bridge (and associated closure of Union Ave. under I-10) will be completed on the above referenced dates. In the event that additional bridge removal work becomes necessary, work may continue on August 22 and 23.

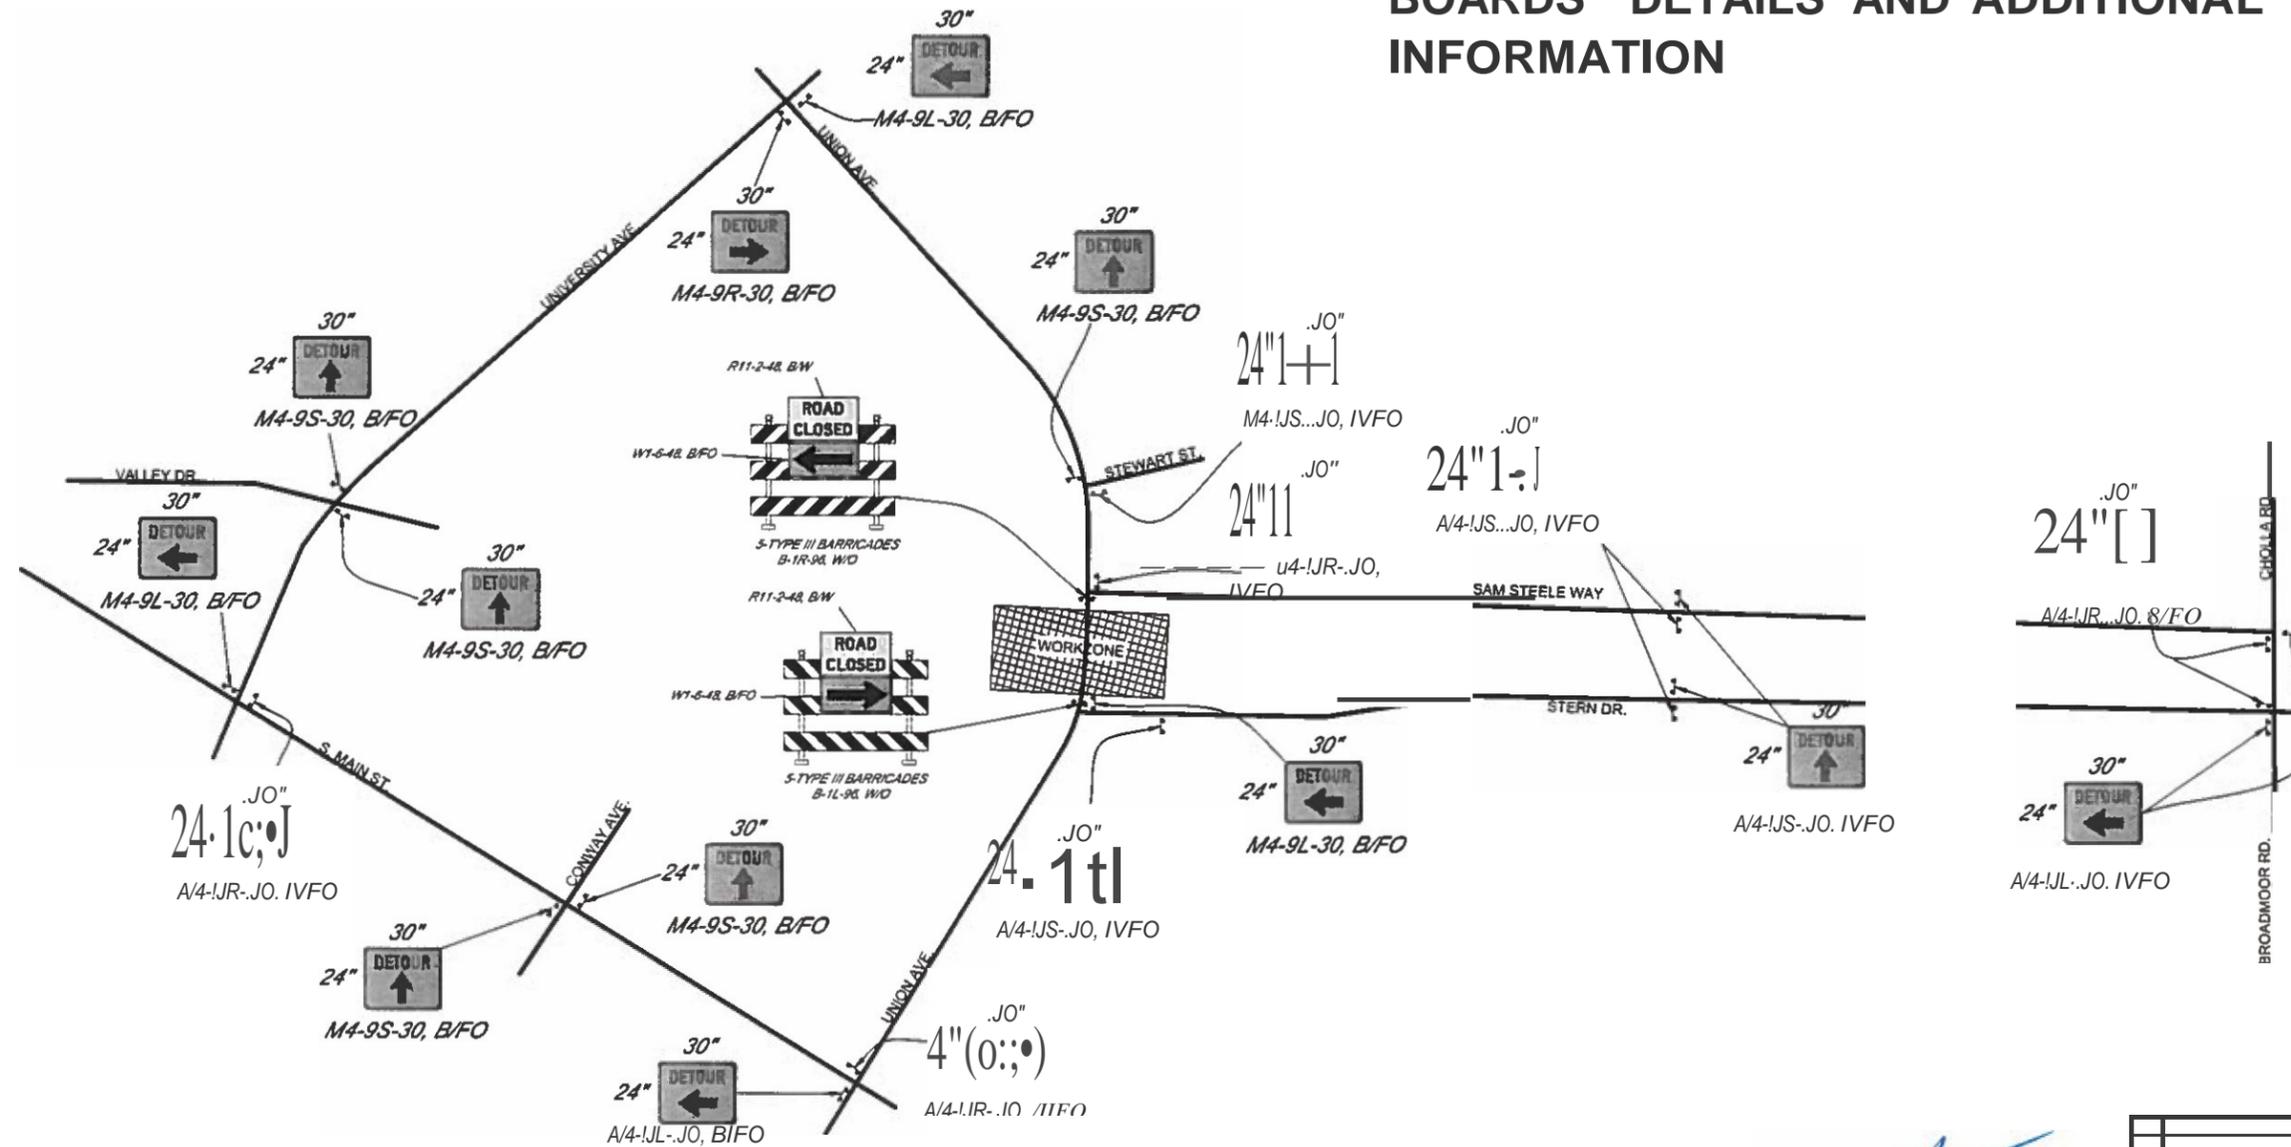

Northbound Union Avenue traffic will be detoured via Stern east to Cholla Road /Broadmoor Road., north to Sam Steel Way, then west to Union Ave. to get the traffic around the work zone. Southbound traffic will need to utilize the same detour traveling in the opposite direction. Detour signing will also be in place for those using University Avenue to South Main Street (Please see the map below).

The NMDOT and La Calerita Construction will have their next month Public Involvement Meeting on Tuesday, August 11 at 6:00 p.m. at the NMDOT Las Cruces Complex located at 750 N. Solano.

##
