

Club Car Launches New “Bank on Carryall®” Sales Event

Government, Education and Other Commercial Customers Can Lease with Increased Residuals and Low APR for Up to 60 Months or Buy Now, Pay Later.

Augusta, GA ([PRWEB](#)) January 21, 2016 -- As the U.S. commercial utility vehicle market leader, [Club Car](#) offers the largest lineup of commercial vehicles in the industry. And our 2016 Bank on Carryall sales event makes it easier than ever for government and education customers to purchase the vehicles they need. The event allows:

Qualified commercial buyers to lease any of the following new 2015 or 2016 vehicles with special low financing of 2.9% APR for 36-48 months or 3.9% APR for 60 months:

- Carryall® utility vehicles
- Café express merchandising vehicles
- Transporter™ passenger vehicles
- Villager™ 4, 6 and 8 passenger vehicles
- Street-legal Villager™ 2 and 2+2 low speed passenger vehicles (LSVs)

Or, these vehicles can be purchased with no pay for six months.

To cut red tape and speed the process, government agencies may purchase these vehicles through [Club Car's contract with U.S. Communities](#), the nation's leading government cooperative purchasing program. Join for free and enjoy guaranteed best pricing.

The Club Car Advantage

“Club Car vehicles are manufactured from the ground up to deliver superior performance, power and savings,” says Kimber Parrish, government and education marketing leader. The company offers:

- Reliable, zero-emissions electric utility, transport and low-speed vehicles with heavy-duty controllers and motors that deliver the power of gasoline vehicles while slashing energy usage.
- Gasoline vehicles powered by an EFI engine with overhead cams that requires far less fuel and maintenance than competitive models.
- An exclusive rustproof, corrosion-resistant, aircraft-grade aluminum frame that extends vehicle life and improves resale value.
- An industry-leading 4-year battery, 3-year/3,000-hour powertrain, 2-year bumper-to-bumper limited warranty on most models.
- Safety standards that exceed industry requirements.
- The VersAttach™ bed-based attachment system that accommodates racks and holders that carry gear outside the bed, frees bed space and limits round trips.
- A custom solutions department that has built unique vehicles for the U.S. Military, Camp David and many city and state applications.
