

## **Carl's Van Rentals Opens Fifth Florida Office in West Palm Beach**

*Carl's Van Rentals recently opened a physical location near Palm Beach International Airport, offering visitors and local groups more convenient access to its fleet of affordable, high-capacity vehicles. Renters can visit <http://www.carlsvanrentals.com/> to learn more.*

WEST PALM BEACH, FLA. ([PRWEB](#)) January 25, 2016 -- Florida-based Carl's Van Rentals opened its fifth office in the state on Jan. 18, establishing operations at 1601 Belvedere Road in West Palm Beach. The new location, inside an Embassy Suites hotel five minutes from Palm Beach International Airport, is convenient both to travelers and to local groups seeking reliable transportation.

Previously, staff from the company's Fort Lauderdale office served customers in the area. Having wheels on the ground in both cities will allow the rental agency to be more efficient — and in turn to reduce its West Palm Beach rates, said Operations Manager Eric Libby.

“Local customers will see prices that are a little more competitive, because we're not going to be delivering vehicles from Fort Lauderdale anymore,” Libby said.

Carl's Van Rentals also has offices in Orlando, Tampa, and Jacksonville, and it provides vehicle delivery and pickup service in seven other locations throughout the state; the Jacksonville office also serves Savannah, Georgia.

The family-owned company's new West Palm Beach office will offer the same rental fleet as its other locations: late-model passenger vans — including minivans and Mercedes-Benz Sprinter vans — cargo vans, 15-passenger mini buses, and Jeeps.

Because most of the vehicles have more capacity than a typical automobile, they are particularly popular among local church groups, sports teams, and large families that want to travel together. Free parking is offered in the Embassy Suites lot, and delivery is also available.

In addition to opening the Belvedere Road rental counter, Carl's Van Rentals launched a free West Palm Beach airport shuttle from that location. About 6 million passengers travel through PBI each year, according to the airport's annual traffic report.

Carl's Van Rentals is open 8 a.m. to 6 p.m. Monday-Saturday in West Palm Beach. Call (561) 654-2820 to make a guaranteed reservation, or reserve online at <https://www.carlsvanrentals.com/reservations/>.
