

## **AVeL-TECH Is Awarded A Contract For The Pinellas Suncoast Transit Authority In Florida**

([PRWEB](#)) January 26, 2001 -- Motorola has just awarded AVeL-TECH a contract to supply the Pinellas Transit Authority with a Transit Integrated Management System, composed of Computer Aided Dispatch (AVeL-CAD), Automatic vehicle location (AVeL-NET), Message Switch (RadioGATE) and In-Vehicle application (MobiCAD) communicating over a Motorola mobile data infrastructure.

Pinellas Suncoast Transit Authority is a County-owned public transit system that covers the entire County of Pinellas. The new system will be used to manage 186 transit vehicles serving a population of approximately one million citizens.

### **AVeL-TECH Background Information**

Based in Canada, AVeL-TECH designs and commercializes a complete suite of products for mission critical organizations, including computer aided dispatch (AVeL-CAD), automatic vehicle location (AVeL-NET), message switch (RadioGATE) and vehicular applications (MobiCAD).

AVeL-TECH's products have been designed to conform to the highest standards set forth by public safety organizations requiring uncompromized robustness to handle uninterrupted life-saving operations.

The AVeL-NET product line is modular and can be articulated around most operational requirements. AVeL-NET is available in English, Spanish, Portuguese and French and is currently used by several Police, Ambulance, Fire departments and Governmental Agencies in North America, Latin America and Europe.

AVeL-NET, RadioGATE and MobiCAD are trademarks of AVeL-TECH Incorporated.
