

## Horton Group Announces Launch of TedRSandersMoving.com

*Horton Group launches newly designed website TedRSandersMoving.com*

Nashville, TN ([PRWEB](#)) February 10, 2016 -- Horton Group is pleased to announce the launch of the newly-redesigned Ted R. Sanders Moving Company website, [tedrsandersmoving.com](http://tedrsandersmoving.com). The website's streamlined and user-friendly design makes it easy for visitors to discover convenient moving solutions.

“It was a pleasure to work with Horton Group on this project. The agency's friendly and supportive staff listened attentively to our needs and were able to design a website that accurately reflects our brand,” said Ted Sanders, President & Owner of Ted R. Sanders Moving Company.

Horton Group built the new website on the WordPress platform. It features a sleek, modern design to help users easily find moving solutions. In addition, the website includes a variety of moving resources to help customers with their move, such as a moving checklist and moving dictionary.

The [moving checklist](#) provides a straightforward, no-hassle way for individuals to ensure they get everything checked off their moving to-do list. The [moving dictionary](#), on the other hand, presents a useful list of common moving terms to help customers with their move.

Ted R. Sanders has served Nashville for more than 125 years. The company offers various moving services, including local, long-distance and international moves. In addition, Ted R. Sanders is an Allied Van Lines partner, providing customers access to the largest moving network in the world.
