

## **Dominance of Luxury Vehicles at Beijing Auto Show Points to a Worldwide Trend, notes Luxury Line Auto Rental**

*The Los Angeles area car rental agency explains that, as powerhouse car manufacturers continually introduce new models to attract new customers, consumer interest in luxury brands is undoubtedly growing.*

Los Angeles, CA ([PRWEB](#)) May 13, 2016 -- According to an [article](#) published April 28th on The Verge, gearheads and consumers are still as driven as ever toward luxurious, high-performance vehicle brands such as Audi, Porsche, and Lexus. The article goes on to explore some of the latest models that recently premiered at the Beijing auto show this April. As the article notes, the always competitive automotive industry has been increasingly turning to the Chinese market in an attempt to promote brand loyalty among the nation's mushrooming middle and upper classes. According to Beverly Hills based luxury vehicle rental agency, Luxury Line Auto Rental, this is not surprising; it notes that, once someone sits behind the wheel of a Porsche 911 Carrera or a [Lexus ES350](#), the reaction is invariably love at first drive. Harboring serious engine power as well as sporting electric designs, these high-end luxury vehicles never cease to please drivers from all walks of life and from all over the world, Luxury Line Auto Rental explains. Whether customers are seeking to try before they buy, pick up clients from the airport in style, or provide luxurious transportation to a lavish event, Luxury Line Auto Rental notes that everyone can find a vehicle to love in the company's showroom. The Beverly Hills based agency goes on to note the qualities that have led to their continuing success:

- Unparalleled vehicle performance: Luxury Line Auto Rental explains that, for gearheads and motorphiles alike, what's under the hood of a Maserati or a Ferrari is even more impressive than the cars' sleek styles. Prospective borrowers who want to experience the genuine thrill of the road in a high-performance vehicles could do no better than borrowing the Rolls Royce Wraith – its turbocharged V12 engine can go from zero to 60 mph in a blistering 4.2 seconds.
- Pure convenience – For years, Luxury Line Auto Rental notes that it has established a solid reputation, serving over 40,000 clients in the greater Southern California area. What's more, it explains that it offers an abundant number of convenient pick-up and drop-off locations from San Diego to San Jose. The agency notes that its deep love of cars inspires it to help clients borrow only the best luxury cars around. With a wide variety of truly superb cars to choose from, they note that any rental is sure to please.

Since 1989, Luxury Line Auto Rental has been renting luxury automobiles to people who enjoy the thrill of the road and top notch vehicle performance. For more detailed information about the vehicles in Luxury Line Auto Rental's showroom, or to make a reservation today, interested readers may call the rental agency at (310) 274-1000, or visit it online at [www.LuxuryLineAutoRental.com](http://www.LuxuryLineAutoRental.com).
