

New at Summit Racing Equipment: Dorman HD Solutions for Heavy-Duty Trucks

Summit Racing now carries Dorman HD Solutions parts for heavy-duty trucks. These heavy-duty replacement components specifically for commercial and industrial-use trucks are made to meet or exceed factory spec, without the hefty OEM cost.

Tallmadge, OH ([PRWEB](#)) May 18, 2016 -- Summit Racing now carries [Dorman HD Solutions](#) parts for heavy-duty trucks. These heavy-duty replacement components specifically for commercial and industrial-use trucks are made to meet or exceed factory spec, without the hefty OEM cost.

There are hundreds of parts in Dorman's HD Solutions family, from fluid reservoirs and gaskets to window cranks and EGR coolers. Dorman also makes key wear items like switches, sensors, and motor mounts, plus parts that are prone to damage like headlights, door handles, and mirrors.

Dorman HD Solutions line offers replacement parts for most common commercial trucks including:

- Freightliner
- International
- Kenworth
- Mack
- Peterbilt
- Volvo

Summit Racing carries a large selection of Dorman HD Solutions parts, and can special-order any product in the HD Solutions catalog and ship quickly anywhere in the USA and Canada.
