

## **[www.artracing.com](http://www.artracing.com): the nicest F1 photos treated as paintings!**

*[www.artracing.com](http://www.artracing.com) proposes the photographer Mario RENZI's artworks (F1 pictures) in an exclusive format.*

(PRWEB) March 4, 2002 -- Created by the webmaster of [www.ayari.com](http://www.ayari.com), Soheil AYARI's official website, [www.artracing.com](http://www.artracing.com) proposes the photographer Mario RENZI's artworks in an exclusive format.

Soheil AYARI's photographer, Mario RENZI has spent his last five years on the F1 Grand Prix. His talent and his 15-years experience of the photo allows him to express in pictures the emotion of F1. His works, based on the aestheticism of this sport, show us superbly the speed, the movement and the explosion of colours offered by F1.

[www.artracing.com](http://www.artracing.com) markets Mario RENZI's photos by treating them as masters' paintings: Larson-Juhl framing, sticking on aluminium board, professional photo printing on super-brightening paper, ... The result: real luxury articles, worthy of being displayed at the best place in every motorsport fans home.

New in the world of the photo art, the will of [www.artracing.com](http://www.artracing.com) is to make accessible those prestigious and exceptional products to everyone.
