Gainesville, VA ([PRWEB](#)) January 05, 2012 -- Curry's Auto Service, Inc, headquartered in Gainesville, Virginia, has been awarded the prestigious 2011 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the businesses rated on the nation's leading provider of [consumer reviews](#) on local service and health providers.

[Curry's Auto Service](#) is one of the largest and most successful independent automotive service and repair companies in the Washington, DC, area, with eight shops across Northern Virginia in Alexandria, Arlington, Chantilly, Dulles Town Center, Falls Church, Gainesville and Great Falls and one in Gaithersburg, Maryland.

"Our goal is to provide honest automotive repair advice, quality workmanship and exceptional service." says Matt Curry, founder and president of Curry's Auto Service. "I tell all my employees that we are a not just a repair business, we are a long-term relationship-building business. We have 4500 customer interactions each month and I want these to be a positive experience.

"I encourage all of Curry's staff to get to know our customers and to spend time discussing needed repairs with them," says Curry. "We provide all our customers with complimentary complete vehicle inspections and written estimates that prioritize the work needed on their vehicles. We also have a Customer Service Advocate who is available to answer any customer's questions or concerns."

Curry's technicians do technical repairs and diagnostics for which many of the franchise outlets do not have the expertise. Curry's technicians can repair all makes and models, including race prep and performance modifications.

"Only a fraction of the businesses rated on Angie's List can claim the sterling service record of being a Super Service Award winner because we set a high bar," said [Angie's List Founder Angie Hicks](#). "The fact that Curry's Auto Service can claim Super Service Award status speaks volumes about its dedication to consumers."

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines.
