

CheapestAutoInsurance.net Extends 20% Policy Discount Through the Month of January

The Cheapest Auto Insurance Network is extending their special holiday pricing of 20% off new car insurance policies through the month of January.

Santa Cruz, CA ([PRWEB](#)) January 04, 2012 -- Studies have proven that no matter how inexpensive auto insurance might be, switching companies saves money, if for no other reason that customers will qualify for special incentives and discounts only offered to new clients. With having the [cheapest auto insurance](#) premiums fast becoming a financial necessity for most Americans, the Cheapest Auto Insurance Network is helping motorists out, by continuing their holiday special - a 20% discount on new policies - through the month of January, 2012.

The Cheapest Auto Insurance Network, found online at [cheapestautoinsurance.net](#), is devoted to helping vehicle owners find quick, easy methods for saving money on car insurance whether through the various discounts and programs highlighted on the site, or by making educated purchasing decisions. Believing that savvy customers save more, CheapestAutoInsurance.net also provides a vast library of informative articles explaining the ins and outs of the auto insurance industry. As well, there is information geared to owners of difficult-to-insure vehicles like performance-tuned automobiles and rarely-driven collectible cars.

At its core, the Cheapest Auto Insurance Network is a one-stop insurance shop for people who need to match their budgetary limitations with their need for reliable car insurance. To help consumers do just that, CheapestAutoInsurance.net announced a 20% discount on new car policies just in time for the holidays, and now they've announced that the price-slash will continue through the month of January.

Car insurance shoppers seeking complete, relevant information on cheap auto insurance can [follow Cheapest Auto Insurance on Twitter](#) for news, and links to blog posts about changes to auto insurance rules and regulations.

Vehicle owners who are ready to buy should visit [CheapestAutoInsurance.net](#), key in their zip code, and take advantage of the opportunity to get cheap, reliable auto insurance at a 20% discount.
