

Show Me State Publisher Fills The Gaps For Ford Owners

Help In Restoring Your Classic Torino Or Mercury Cyclone

([PRWEB](#)) January 24, 2004 --PAHPublishing announced today a new series to its line of automotive-based titles. "Classic Muscle Car Illustrated Restoration Guides". Is meant to be a blessing to a car owner under taking the task of restoring the car. The heavily illustrated guides are loaded with original part numbers and factory codes plus tips on taking your classic car from "backyard project to best of show."

First up is "Torino GT and Mercury Cyclone" this 288-page guide covers all 1968-71 Torino models including Ranchero and Cobra models. Authored by Carl Eden, this is just the first of many that PAH Publishing has planned for in this series. "For too long Torino owners have had to wade through Mustang data to get a few bits of information on their car." Said Paul Herd Publisher. "Our guides are meant to fill in those areas of models that other publishers seem to over look." Herd a long time automotive author himself also stated that "we have other projects and other series lined up" and that he saw good times ahead for PAH Publishing.

Retailing for \$29.97 plus shipping and handling Ford Torino GT and Mercury Cyclone Restoration Guide is available from a number of sources including Faxon Auto Literature, Amazon.com and Barnes and Nobel. Plus it also available directly from the publisher for discount rates or more information write to: PAH Publishing 711 hillcrest St. Monett, Mo 65708 USA Phone: 417-236-0077 Fax 417-236-0850
