

## **Quickk Magazine** – The hottest sportbike magazine for the motorcycle enthusiast.

*Quickk Magazine is written for the sportbike rider, motorcycle racer, and extreme street bike enthusiasts. Quickk Magazine fulfills a unique niche in a vast exciting marketplace.*

([PRWEB](#)) February 7, 2004 --Targeting the entry-level and extreme sportbike enthusiast, Quickk Magazine provides its readers with all they need to participate in the fastest-growing motorsport in the country. Quickk Magazine features custom sportbikes, racers, extreme stunt apparel and the coolest shows that are captured in high-impact, full-color. Quickk Magazine also provides step-by-step technical articles, details on purchasing and installation of aftermarket motorcycle parts. From daydreaming to dyno testing, Quickk Magazine has it all for the new sportbike enthusiast. Quickk Magazine will be similar to title as such as Maxim, FHM, and Stuff in theme and some content, but not in layout. Quickk Magazine's most distinguishing feature will be the featured custom motorcycles and entertaining content.
