

Chelsea Cloisters Car Park Offering Discount 2014 Long Term Parking Solutions

Chelsea Cloisters Car Park, the leading car park in the fashionable West End of London, is pleased to announce that they are offering discounted rates for clients looking for a long-term parking solution for 2014.

(PRWEB UK) 8 January 2014 -- Chelsea Cloisters Car Park, the leading car park in the fashionable West End of London, is pleased to announce that they are offering discounted rates for clients looking for a long-term parking solution for 2014. The car park is regarded as being one of the best in this part of London with space for 140 cars with a wide range of additional automotive services on site. Car parking options are available at the site start from one hour, but there are a number of parking berths which are suitable for local residents and businesses looking for a secure and affordable long-term parking solution. For the rest of January, the firm will be providing a discount for customers keen to take advantage of the long-term parking options provided on site.

Chelsea Cloisters Car Park is regarded as the most effective parking Kensington has to offer. This is down to the fact that the site is fully covered with CCTV cameras and is manned by attendants 24 hours a day. This attention to security ensures that this car park is ideal for anyone looking for a reliable long-term parking solution in this area of London. Whether someone is looking for a quick parking spot while they shop or they want a safe and secure car parking area for their car for the rest of the year, the Chelsea Cloisters Car Park is able to deliver.

Given the proximity of the main shopping district to the car park, it is understandable why this car park is viewed as the premium parking Kings Road has to offer. January is the month many people associate with sales shopping, and when it comes to finding a bargain, there is no better place to bargain hunt than the Kings Road. Knowing that there is an affordable and reliable car parking site close at hand will provide many shoppers with the impetus to head to this exclusive part of London and shop in the most highly desirable parts of town.

As well as offering affordable and reliable car parking options, Chelsea Cloisters Car Park offers a range of services to drivers. There is a car wash on site offering a range of services. There are self-storage options and anyone looking to ensure that their car is in top condition for the year ahead will benefit from the services of the mechanics that are located in the car park. No matter what sort of car parking option a client is looking for, the Chelsea Cloisters Car Park is the number one car park in the number one part of London.
