

J.D. Byrider Releases The Single Mom's Complete Used Car Buyers Guide

The piece is a part of the company's commitment to increasing educational resources for those who are trying to improve their credit.

([PRWEB](#)) July 19, 2016 -- J.D. Byrider, a nationwide network of used car sales, service and financing facilities, released a complete buyers guide for single moms who need a car. The piece, which includes an infographic and videos highlighting the main points from each section, is a part of the company's commitment to increasing educational resources for those who are trying to improve their credit.

“We see many single moms come through our doors and we believe the best way we can help them is by providing the educational resources they're looking for,” said Steve Wedding, CEO of J.D. Byrider. “Many women are looking for information on how to find reliable, safe vehicles for their families, and we believe this guide can help them through the process.”

In this eBook, single moms will see how easy the car buying process can be, along with:

- How credit affects their options and payments
- Vehicle purchase options
- How to choose the right vehicle
- Revealing the hidden costs
- What to look for at a dealership
- Things to do before heading to the dealership
