

## 1964-65 Chevrolet Chevelle Convertible Header Molding

*Original Parts Group, Inc. (OPGI) has released brand new, exact reproduction convertible header center moldings for the 1964 and 1965 Chevrolet Chevelle.*

Seal Beach, Calif. ([PRWEB](#)) July 23, 2016 -- Original Parts Group, Inc. (OPGI), the industry's leading supplier and manufacturer of restoration and high-performance parts for classic General Motors (GM) cars, is pleased to announce the availability of new reproduction convertible header center moldings for 1964-65 Chevelles.

Discontinued long ago by GM, these RESTOPARTS® A-Body convertible header center moldings have been carefully reproduced down to the last detail. Made on new tooling, these brilliantly polished stainless steel header center moldings have the correct bends and mounting hole positions for a totally authentic look and fit. Finding original GM convertible header center moldings in any condition is almost impossible, and now OPGI has perfect reproductions in stock. The 1964-65 Chevelle convertible header center moldings are sold individually under OPGI part # E451872 for \$199.99.

Celebrating over 34 years of manufacturing and retailing the highest quality restoration parts and accessories, OPGI is recognized as the nation's number one supplier and manufacturer of classic GM parts and is committed to maintaining that reputation and serving the needs of its customers for years to come.
