*VW Touareg Modifications - From Minor Adjustments to Major Rebuilds*

([PRWEB](#)) February 18, 2004 --TouaregMods.com has been launched as a part of the Club Touareg Network of sites developed for current and future VW Touareg enthusiasts. The Touareg Modifications site displays the Modifications conducted by the Touareg owners around the world. Touareg Modifications (<http://www.TouaregMods.com>) also allows visitors to post their Modifications, including photos, while sharing expertise with members of all backgrounds and experiences.

Visit [www.TouaregMods.com](http://www.TouaregMods.com) for more information on VW Touareg accessories, VW Touareg modifications, and the VW Touareg Forums.

About the Club Touareg Network

The Club Touareg Network was officially launched on December 8, 2003 with its public debut of ClubTouareg.com. Club Touareg has become one of the fastest vehicle enthusiast sites on the web with several million hits in its two months. Membership is completely free and requires only a quick online application. We welcome all automotive enthusiasts to visit [www.clubtouareg.com](http://www.clubtouareg.com) for more information.

Real owners providing real life experiences with their VW Touareg - That is what makes the Club Touareg Network so successful.

The Club Touareg Network of sites is not affiliated with Volkswagen of America (VWoA) or its parent company VW AG.
