**PAOLI, Pa. (October 15<sup>th</sup>, 2019)** – In this episode of [AmericanTrucks' \(AT\) "The Haul" YouTube series](#), host Sara Riordan selects her first 5 [Silverado parts](#) for the all-new 2019 Chevrolet Silverado 1500. GM's bigger, lighter, and more powerful Silverado pickup is more efficient thanks to a complete redesign for the 2019 model year. With these enhancements for the completely new fourth generation Silverado comes all new fitment and [truck accessories](#) to review and test.

Even though the engineers and designers at Chevrolet did a great job giving the Silverado a much-needed design overhaul, Sara's additions, including parts from categories like [truck bed covers](#) to [truck rims](#), add a personal touch to this, now dapper, bowtie.

Parts featured in this video: [Pro Comp Suspension 2.25 in. Leveling Lift Kit](#), [Fuel Wheels Maverick Gloss Black Milled 6-Lug Wheel - 20x9](#), [NITTO Terra Grappler G2 Tire - 275/60R20](#), [Coyote Black 6 Spline Lug Nut Kit - 14mm x 1.5](#), [Corsa Sport Dual Exhaust System w/ Black Tips - Rear Exit](#), [Barricade HD Drop Side Step Bars](#), & [UnderCover Ultra Flex Tri-Fold Tonneau Cover - Black Textured](#).

*"This was my first build and I was excited to modify the 2019 Silverado! There was a lot of hype when this truck came out, so to choose the first 5 mods for it was a huge deal to me. I chose some of the no-brainers like side steps and a tonneau, but also added some more exciting mods like the wheels and tires, leveling kit, and dual exhaust." –Sara Riordan*
