

## **Looking for a mechanic job or mechanic resumes? Introducing MechanicCareers.com**

([PRWEB](#)) July 21, 2005 -- Looking for a mechanic job or mechanic resumes? Have a mechanic job that needs filled?

Introducing MechanicCareers.com, a job site for mechanic professionals. It is one of the newest additions to the BigTimeJobs.com network of niche job boards.

Employers can post their mechanic jobs individually, or take advantage of our annual packages. Looking for mechanic resumes?, we have those too. Advertising is also available by adding a company profile or one of our banner ad packages.

Potential employees can browse through our lists of mechanic jobs available in their area, or add their own mechanic resume to our database, all free of charge.

Please call 1-888-818-JOBS with any questions. Be sure to ask about our current promotional packages, and first time trials.

You can also visit [BigTimeJobs.com](#), to find our other industry specific, niche job boards.
