

The 2021 Honda Civic Sedan has arrived at Capital Honda

Dealership welcomes the 2021 Honda Civic Sedan to its showroom

CHARLOTTETOWN, P.E.I. ([PRWEB](#)) November 16, 2020 -- Drivers in the Charlottetown area who are looking for a new sedan will be pleased to know that the 2021 Honda Civic Sedan has officially arrived at Capital Honda. The sedan is available in four trim levels which include the LX, EX, Sport and Touring. There are two engine options available depending on the trim level that is chosen. The first is standard on the LX, EX and Sport and it is a 2.0-litre 4-cylinder engine that produces 158 horsepower and 138 pounds-foot of torque. The second is standard on the Touring trim level and it is a 1.5-litre 4-cylinder engine that produces 174 horsepower and 162 pound-foot of torque.

The 2021 Honda Civic Sedan has sharp lines that go down the doors of the sedan giving it a tough and sporty stance. Other exterior features include LED headlights and LED fog lights.

Individuals who are frequently cold will enjoy the fact that the sedan has heated front seats and available heated rear seats. Additional interior features include leather-trimmed seating surfaces, available dual-zone climate control, an available leather-wrapped steering wheel and steering wheel-mounted controls.

Drivers who like remaining connected while on the road will like the technology features found in the 2021 Honda Civic Sedan. Apple CarPlay and Android Auto capabilities come standard. Other technologies include Honda LaneWatch™ blind spot display, Honda Satellite-Linked Navigation System, a multi-angle rearview camera and many more!
