

SWAGTRON Celebrates St. Patrick's Day Giving Away \$1000 + SG5 Electric Scooter in 'Luck Is Swag' Social Media Contest

LEV maker gives away \$1000 + Electric Scooter on the luckiest day of the year

DENVER ([PRWEB](#)) March 12, 2020 -- The luck of the Irish is in the air and [SWAGTRON®](#), the leader in affordable light electric vehicles (LEVs) including [electric scooters](#) and [e-bikes](#), is celebrating the luckiest day of the year by giving fans and followers a chance to win up to \$1000 + a Swagger 5 Elite electric scooter with the company's first-ever [#LuckIsSwag](#) Contest.

From now until 11:59 PM EST, Tuesday, March 17, 2020, participants can drop a clover emoji in our [#LuckIsSwag](#) video post on [Facebook](#), [Instagram](#), or [Twitter](#), and tag a friend. Easy as bangers and mash!

Upon entering, participants will have a chance to secure up to 10 additional entries by posting a photo of themselves on St. Patrick's Day using the hashtag [#LuckIsSwag](#) and tagging SWAGTRON. The winner will be announced during a live stream event on March 18, 2020.

For more information including terms and conditions for participation, visit [the official Luck Is Swag contest page](#). No purchase necessary.

ABOUT SWAGTRON®

SWAGTRON is the industry leader in light electric vehicles, having evolved as the forefront brand in its category. SWAGTRON was celebrated for being one of the first brands of electric rideables on the scene to offer UL certification for electrical and charging safety. SWAGTRON continues to expand and improve its line of innovative rideable products to make micro mobility solutions accessible to everyone. For more information, visit [Swagtron.com](#).
