

## **Friendly Kia Brings Car Buying Experience to At-Home Customers**

*Tampa-area shoppers can complete their new vehicle purchases at home with dealership's online tools*

NEW PORT RICHEY, Fla. ([PRWEB](#)) March 17, 2020 -- With precautionary measures being taken across the globe to stop the spread of COVID-19, Friendly Kia is bringing the car-buying experience to the homes of shoppers across Tampa Bay. The local Kia dealership is prioritizing the health of customers and employees by offering streamlined digital vehicle check-out options and a multitude of online buying tools.

Friendly Kia is currently offering free home delivery on all new and used vehicle purchases to reduce in-person foot traffic at the dealership's showroom. This home delivery option allows prospective customers to completely cut out a trip to the dealership and complete all necessary paperwork virtually. Shoppers are now able to complete their entire vehicle purchase over the phone or through email with the help of an experienced Friendly Kia internet sales manager. Prospective buyers who wish to still pick up their vehicle in person can complete all of their paperwork ahead of time to minimize face-to-face interactions and maintain safe social distancing.

From start to finish, the entire buying process with Friendly Kia can be completed from the safety and comfort of shoppers' homes. By minimizing face-to-face interactions, the dealership prioritizes the health and safety of customers and employees.

Anyone can visit the virtual showrooms on the Friendly Kia website, <https://www.friendlykia.com/>. Prospective buyers can search through new and used vehicle inventories, complete financing paperwork and more all on the dealership's website. For additional information on available models or the measures being taken at the local dealership, contact a member of the Friendly Kia sales team by phone, 877-544-6706. Friendly Kia aims to help stop the spread of COVID-19 through safe social distancing, limited in-person interactions and rigorous cleaning and sanitization processes.
