

NFI Ranks in Global Trade Magazine's Top 100 Leading 3PLs

NFI, a leading [3PL provider](#), has been listed as one of the top 100 leading 3PLs for the second consecutive year with Global Trade Magazine.

Cherry Hill, N.J. ([PRWEB](#)) August 31, 2017 -- NFI, a leading [3PL provider](#), has been listed as one of the top 100 leading 3PLs for the second consecutive year with Global Trade Magazine. The annual list, placed in the magazine's Leading 3PLs issue, provides a list of the top 3PL providers and highlights specific categories where each excels. This year, NFI was featured as a leader in the temperature-controlled category.

NFI offers a full-range of supply chain services including dedicated fleets, warehousing, brokerage, intermodal, and global logistics. Within its 2,400-tractor dedicated fleet, NFI provides [temperature-controlled solutions](#) to customers from industries including grocery, food, and beverage. In addition, NFI delivers refrigerated intermodal services with state-of-the-art refrigerated containers that can maintain temperatures as low as -20oF. Delivering flexible, custom logistics options to a diverse customer base, NFI continues to grow across North America and expand its supply chain offerings.

“We have the scale and sophistication to engineer unique solutions that address challenges across specialized industries,” says CEO, Sid Brown. “Our ability to increase market share and enhance our capabilities allows NFI to deliver even greater service and solutions that help customers grow and achieve their supply chain goals.”

As one of the oldest and largest privately held 3PLs in North America, NFI's consistent and rapid growth continues to be its greatest achievement, growing to more than 8,400 employees and 33.5 million square feet of warehousing space this year. A family-owned and operated business, NFI promotes an entrepreneurial spirit, is flexible to customer needs, and builds an environment that is successful for continued growth.
