CHERRY HILL, N.J. ([PRWEB](#)) December 04, 2017 -- NFI, a leading [supply chain solutions provider](#), further enhances its global logistics capabilities and welcomes Mike Greco as its Senior Vice President of Global Logistics. With Greco's leadership, NFI aims to enhance its air and ocean freight forwarding offerings while further integrating the service with the 3PL's suite of supply chain solutions.

Recently acquiring major port drayage provider, CalCartage, NFI continues to add competencies, unify its solutions, and better connect international and domestic supply chains. With more than 20 years of experience in the supply chain industry, Greco will work closely with NFI's extensive transportation and distribution divisions to create international solutions for the global customer.

“As NFI continues to grow, we look forward to expanding our global solutions to round out our end-to-end service offerings,” said Jeff Brown, NFI President and Vice Chairman. “NFI is a people-centric business and our talent is at the core of our success. Mike will be a valuable asset as we continue to look for ways to bring robust solutions and innovations to our customers on an international level.”

Before joining NFI, Greco most recently served as Managing Director for Geodis USA for over four years. His twenty-year career is comprised of various leadership positions in international freight forwarding sales and operations at companies including Panalpina and YRC Freight.
