

McLaren Chicago Offers the Sleek and Fun-to-Drive 2020 McLaren 720S for Exotic Supercar Shoppers

The 2020 McLaren 720S is currently one of the most popular models at McLaren Chicago

CHICAGO ([PRWEB](#)) February 21, 2020 -- In the search for high-level exclusivity with the exotic supercar segment, a standout model is the [2020 McLaren 720S](#). Offered in Coupe and Spyder Convertible models, the 2020 McLaren 720S delivers a phenomenal driving experience with its powerful V8 engine, numerous performance-enhancing features and a lightweight and aerodynamic design. McLaren Chicago, which is located at 645 West Randolph Street in Chicago, now offers the 2020 McLaren 720S.

The 2020 McLaren 720S has a stunning design. Along with curves and contours that create the distinctive McLaren look, the design of the McLaren 720S was inspired by the sleekness and hunting efficiency of the Great White Shark. The unique twin-hinged dihedral doors make the supercar stand out even more, while the MonoCage II carbon-fiber passenger cell is high-strength and lightweight, resulting in excellent driving dynamics and superior protection.

The 2020 McLaren 720S is powered by a robust 4.0-liter V8 engine. With its electrically-actuated twin-scroll turbochargers, it churns out an impressive 710 horsepower and 568 pound-feet of torque. The engine is mated to the quick and efficient 7-speed + reverse Seamless Shift Gearbox. The McLaren 720S can reach a top speed 212 mph and achieves the 0 – 100 kph (62 mph) sprint in only 2.9 seconds.

The driving dynamics of the McLaren 720S are further enhanced by its numerous performance-enhancing features. This includes a twin exit stainless steel exhaust system, a Launch Control function, McLaren Brake Steer, adaptive damping for the suspension, range calculation, an open differential, the Traction Control System, Variable Drift Control, Electronic Stability Control and Brake Assist technology. Also, the McLaren 720S offers driving customization with three different powertrain modes (Sport, Track and Comfort).
