

## **Yeah Baby...It's A Hot New Styling Line For The Mini Cooper And Mini Cooper S**

*Autotecnica Introduces A Line Of OEM Quality Chrome Exterior And Interior Styling Accessories*

([PRWEB](#)) September 22, 2004 -- Have you been in love with the Mini since you first saw it in Austin Powers or maybe on that vacation to London, and now you finally got one. But how do you make it stand out from the crowd to reflect your individuality? Well, Autotecnica has created a line of OEM quality chrome accessories for the Mini Cooper and Mini Cooper S that's just what you've been looking for. The clean looking exterior and interior styling products install in just minutes, and they're available to fit 2001 & later models.

Autotecnica's new Mini Cooper line includes a variety of exterior styling accessories, such as a chrome grill cover, outside mirror covers, side molding covers, rear trunk lid covers and much much more. Autotecnica's chrome gas door covers even include rivets that are color matched to the vehicle's paint for a truly custom look. For the interior, Autotecnica now offers such bright accessories as a shift gear frame, door trim covers, toggle switch, steering wheel trim, tachometer, speedo, A/C vent frames and anything else you need to make people say sha-wing as you cruise by in your Mini.

"These are not universal fit products but vehicle specific products that really boost your mojo and your vehicles image," notes Alan D. Kantor, President and CEO of Autotecnica. "We have designed each accessory to follow the Mini's contours beautifully and enhance their natural inner and outer beauty. These high quality parts fit right and install easily. They even come with a three year warranty."

These accessories are made from ABS injected plastic with either a brilliant chrome nickel finish or a hot carbon fiber look. They come with top quality 3m tape and adhesive promoter, and can be installed in 15 minutes or less.

### About Autotecnica
