

Save on a Certified Pre-Owned Mercedes-Benz Car or SUV During the January 2020 Mercedes-Benz Certified Pre-Owned Event at Mercedes-Benz of Kansas City

Kansas City, Missouri-Based Mercedes-Benz Dealership Shares Details on Huge Opportunity for Savings with Low Rates and Monthly Payment Credits

KANSAS CITY, Mo. ([PRWEB](#)) January 21, 2020 -- Those shopping for luxury vehicles typically find themselves in one or two camps.

The first group prioritizes reliability and customization above all else. For them, shopping new allows them to take advantage of the latest-and-greatest technology/engineering with the dependability of a vehicle that has never been owned.

Those who prioritize value and selection, however, are often inclined to shop pre-owned for the wide range of options they have and the prices which undercut new vehicles. As a tradeoff, pre-owned shoppers are okay with taking on a bit of risk in the form of the unknowns that follow a vehicle that was previously owned by another.

This month at Mercedes-Benz of Kansas City – an award-winning, conveniently-located Mercedes-Benz dealer in Kansas City – drivers have a third option that seemingly represents a strong compromise between the assurance of new and the value of pre-owned.

During the Mercedes-Benz Certified Pre-Owned Event at the dealership, shoppers can enjoy incredible and limited financing rates on popular models like the Mercedes-Benz C-Class sedan, Mercedes-Benz CLA Coupe and Mercedes-Benz GLE SUV.

Models purchased with model years 2016, 2017 or 2018 are also eligible for two of payment credits, totaling no more than \$1,500.

With the Midwest's largest selection of Certified Pre-Owned Models at their dealership, the staff at Mercedes-Benz of Kansas City are hoping to draw luxury vehicle shoppers who are looking for a great vehicle that has passed a 100+-point inspection test and comes with a great price sticker.

To help share the details of this event as well as offer a portal for shoppers to find the certified pre-owned Mercedes-Benz model which best meets their wants and needs, the staff at Mercedes-Benz of Kansas City have [published a page to the dealership's website](#).
