All Good Giving Campaign

In an effort to help revive and restore their local community, All Good Presents created the All Good Giving Campaign to assist those struggling the most. This multi-platform fundraiser launches with the All Good Presents donating \$1 for every car ticket sold to every show plus providing “no-pressure” opportunities for fans to donate when they purchase their ticket or text to donate in advance and at the show.

In an effort to reach as many neighbors as possible, three incredible non-profits were chosen based on the impact they have on the local community. Shows during the month of April will benefit The Mental Health Association of Frederick County, shows during May will benefit the City of Frederick Maryland Food Bank and shows during June will benefit the Frederick Arts Council.
