North Adams, MA ([PRWEB](#)) December 15, 2016 -- RacingJunk.com, the world's largest online motor sports marketplace, is pleased to announce its partnership with Midwest Off Road Racing (MORR). This partnership will help to increase awareness of the MORR group, and will also help to increase brand recognition for RacingJunk.com among MORR's fans and competitors.

RacingJunk.com is a subsidiary of MotorHeadMedia.com. With over 850,000 registered members, the website connects to more than 2.0 million buyers and sellers every month, generating 30 million+ page views.

MORR's goal is to insure affordable racing for the Midwest Sportsman Off Road Racer by uniting racers with a common voice. Maintaining affiliations with approved sanctioning bodies will allow the competitor and the enthusiast to enjoy off-road racing now and in the future. MORR was formed in 2010 to ensure the Sportsman group of racers was represented properly when it came to entry fees and payback, rules creation and enforcement, and fair and equal competition on race day.

Jim Sweener, Director of Sales for RacingJunk, said, "We're thrilled to welcome MORR as one of our valued partners. Off-road racing is an important area for our online classifieds, and we look forward to being a resource for fans and drivers involved with MORR."

"Partnering with RacingJunk.com is a win-win situation for everyone involved," commented Mike Reusche, MORR Marketing Manager. "Thanks to the reach of RacingJunk.com MORR will receive added exposure that will allow our group to continue to grow and bring more marketing value to our racing community. At the same time the partnership will increase the RacingJunk.com exposure to off-road enthusiasts looking to buy and sell vehicles, parts and accessories."
