

## **iTrade's Email Provider Hriders.com Is Giving Away Unlimited 100-Gigabyte/500MB Attachment E-Mail Accounts**

*HellaciousRiders.com, an interactive online motorcycle magazine and email provider, is giving away unlimited 100-Gigabyte e-mail accounts.*

Irvine, CA ([PRWEB](#)) September 28, 2004 -- HellaciousRiders.com, an interactive online motorcycle magazine and [email provider](#), has already given away millions of free 3-gigabyte e-mail accounts. Now, as rewards for all members, the site is giving away unlimited 100-Gigabyte e-mail accounts. All e-mails are hosted on servers that sit in a solar-powered facility run by our friends at AISO. HRiders.com guarantees these servers will never go down.

With Hriders.com's 100-Gigabyte/500MB system, members can receive over 4 million e-mails that include 500 Megabyte attachments. Members will also be able to store over 200,000 pictures and over 50,000 video clips, all for free. HRiders.com gives more [free e-mail](#) space than all of the other Search engines combined, and our system supports POP3. HRiders.com members are able to send e-mail in seven different languages.
