

4 Wheel Parts Superstore to Host First West Coast Showing of 2016 Nissan TITAN

Fresh from its recent debut at the North American International Auto Show, the all-new Nissan TITAN will be unveiled for the first time on the West Coast at the Compton 4 Wheel Parts Superstore adjacent to Transamerican Worldwide headquarters on Saturday, Jan. 17.

Compton, CA ([PRWEB](#)) January 13, 2015 -- Today, it was announced that the recently unveiled 2016 Nissan TITAN will make its West Coast public debut at the 4 Wheel Parts Superstore in Compton, California.

Truck enthusiasts are invited to attend the event this Saturday, January 17 from 8:00 a.m.-10:00 a.m. for an up close and personal look at the recently unveiled TITAN that will deliver capability and quality as Nissan returns to the competitive full size pickup battlefield.

Powered by a new Cummins 5.0L V8 Turbo Diesel rated at 310 horsepower and hefty 555 lb-ft of torque, while featuring bold exterior and interior designs, the 2016 TITAN was introduced to a standing room-only crowd of international media at the 2015 North American International Auto Show.

The debut of the all new Nissan TITAN this weekend will provide the global aftermarket supplier with the opportunity to preview the vehicle alongside customers as they evaluate products and accessories to enhance the already-capable truck.

4 Wheel Parts Director of Marketing, Dan Mickelsen shared his enthusiasm for the event. “We are appreciative to Nissan for selecting 4 Wheel Parts as the location to publicly introduce this very important vehicle to the West Coast. This is a tremendous opportunity for us to share the excitement of the all-new TITAN with enthusiasts as we anticipate its availability later this year.”

The event location, adjacent to the 4 Wheel Parts Superstore’s parent company, Transamerican Auto Parts global headquarters, is open to the public. Automotive enthusiasts will have the opportunity to view and photograph the exterior and interior of the 2016 TITAN.

News and details on the new TITAN can be found at <http://www.nissanusa.com/trucks/2016-titan/>; and other updates will be available on Twitter by following #NissanTitan.
