Southern District of New York**

**In re: General Motors LLC Ignition Switch Litigation**

Case Number: 1:14-md-02543-JMF

Document Number: 4176 (No document attached)

Docket Text:

**ORDER regarding [4172] Tentative Agenda Letter for the July 6, 2017 Status Conference filed by General Motors LLC. Counsel should be prepared to address, and/or update the Court with respect to, each of the issues discussed in the parties' Tentative Agenda Letter at the July 6, 2017 status conference. In addition, counsel should confer and be prepared to propose dates for future status conferences as appropriate. If possible, counsel should also be prepared to address - at least in general terms - how to proceed in light of the Court's ruling shortly ago on New GM's partial motion to dismiss the Fourth Amended Consolidated Complaint. (To be clear, given the holiday weekend and trial preparations, not to mention the Opinion's length, the Court does not expect that counsel will have had an opportunity to absorb the Court's ruling in any meaningful way and will not expect counsel to be prepared to address the impact of the Opinion in any detail.) Finally, per the Scheduling Order entered on May 24, 2017 (Docket No. [4019]), the Court will conduct the MDL status conference beginning at 9:30 a.m. and then proceed to the final pretrial conference in Ward v. General Motors LLC immediately after concluding the MDL status conference. Thereafter, the Court will meet in camera with counsel to address settlement-related issues, as requested in the parties' letter. (Signed by Judge Jesse M. Furman on 6/30/2017) (Furman, Jesse)**
