Out of Stock Part Number	Service Kit Part Number	Order Qty	Order Frequency	Special Request Quantity	Special Request Frequency	Total Maximum Weekly Allocation
89661-02K22	04000-47102	10	Daily	5	Daily	75
89661-02K53	04000-47402	1	Daily	1	Daily	10

Dealers requiring additional inventory will need to contact their facing PDC Customer Support Leader.

Additional Ordering Instructions:

1. Dealer order quantities that exceed the daily maximum will be canceled daily.
2. If a dealer submits multiple orders and the total quantity exceeds the daily maximum quantity, order quantities in excess of the daily maximum will be canceled.
3. Dealers requiring additional inventory will need to contact their Facing PDC Customer Support Leader and request a Special Request for additional inventory.
4. Special Requests orders will be limited to quantities listed above each day.
5. Orders for approved additional requests submitted by Facing PDC Customer Support Leaders will be placed by the Special Activity Team. The Special Activity Team will provide the order reference to the Facing PDC Customer Support Leader on the Special Request form once the order has been released.

If you have any questions or specific dealer allocation issues, please feel free to contact your PDC Customer Support Leader.

Thank you
