Subject: **Delivery Stop - 2011 328i xDrive Sedan, 335i xDrive Sedan * Expanded Chassis Number List***

Certain 2011 328i xDrive and 335i xDrive sedans produced between 4/1/11 and 7/29/11 must have a check of the front driveshaft performed. Affected vehicles still in center inventory should not be retailed until a campaign on the front driveshaft has been released and completed. The affected vehicles listed below are at or on the way to your center.

A Service Information bulletin will be published as soon as details are available. Please do not order or return any parts at this time as the campaign procedure is still being finalized.
