Subject: Incorrect Tires Size on Federal Labels/FMVSS 120

Dear Ms. Tobias:

This letter serves to acknowledge Jayco, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JAYCO/JAY FLIGHT SWIFT/2014

Mfr's Report Date: February 25, 2014

NHTSA Campaign Number: 14V-089

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 18

Problem Description:

Jayco, Inc. (Jayco) is recalling certain model year 2014 Jay Flight Swift travel trailers manufactured January 10, 2014, through January 13, 2014, and equipped with the Baja Option. The Federal Certification and Tire Labels have the tire size incorrectly listed as ST205/75R14C instead of LT235/75R15C. Thus, the vehicles do not conform to Federal Motor Vehicle Safety Standard (FMVSS) number 120, "Tire Selection and Rims for Motor Vehicles Other Than Passenger Cars."

Consequence:

If the consumer installs a tire on the trailer that is specified on the incorrect label, it may cause uneven wear on the tire and towing instability which could increase the risk of a crash.

Remedy:

Jayco will notify owners, and dealers will replace the incorrect Federal Certification and Tire Labels with new labels with the correct tire information as LT235/75R15C. The recall is expected to begin in March 2014. Customers may contact Jayco at 1-800-283-8267.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Jayco's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
