**TRAVALON**

Large wrap-around windshield allows unobstructed view for driver and passengers. Sliding side windows can be locked from the inside. Driver's compartment is equipped with map light and both driver and passenger sides are equipped with arm rests and storage cabinets. Instrument panel and area below windshield are covered with Naugahyde and padded with polyfoam.

The forward area of the vehicle is easily converted into a comfortable lounging area with complete privacy afforded by draperies.

Shelf under picture window converts into single 24" x 30" or a 30" x 48" double leaf table. Table leaves convert into doors for cabinet storage area when table is not in use.

Superbly arranged kitchen and dining area include:  
 3 cu. ft. refrigerator, large sink with swivel faucet, instantaneous water heater, deluxe 3-burner range with broiler and oven, and ample all Formica working area. Storage area above and below with self-locking doors and drawers provides ample space for cooking and dining utensils.

# Business or Pleasure

it's more fun in a TRAVALON

Imagine driving your home across the country with stopovers at sun-splashed beaches, snow-covered mountains, or trout-stocked streams.

You can in a TRAVALON—a mobile home with all the built-in conveniences you need for comfort and easy living.

Anytime, wherever you are, you have comfortable beds, hot and cold water, heat, lights, refrigeration, hot food, and a bathroom with shower... all independent of outside sources. You can relax as you travel—following the lure of the highway.

The spacious TRAVALON is ideal for a wide variety of business and industrial uses... traveling showroom or sales office, sample room, field office, accounting office—truly you can take your products to your customer, or your office to the job

with a TRAVALON... and on weekends or vacations you can use it to promote client goodwill or for family fun.

The spacious living area and the driver compartment are on a single level, permitting comfortable living and traveling. Elegant wall-to-wall carpeting is available in a wide variety of decorator colors. Color-keyed draperies insure privacy and enhance the richness of the interior. Walls and ceiling are surfaced with maintenance-free Naugahyde and insulated with 2" spun fiberglass and 1/2" polyfoam against heat, cold and sound.

The soundly designed, dramatically styled airline type aluminum body gives extra dimension for yawn and stretch room... it is 25'-6" long x 7'-11" wide with 6'-4" of headroom inside. The TRAVALON is easy to park (can be parked in most passenger car zones). It drives like a car, rides like a car and no special license is required for vehicle or driver. It takes hills at passenger car speeds—gets light-passenger car mileage, cruises easily at 60 miles per hour and the 102 horsepower, 6 cylinder, aircooled Corvair rear engine is amazingly light on the pocketbook. It is pure excitement on wheels.

## TRAVALON sleeps Four with Room to Spare!

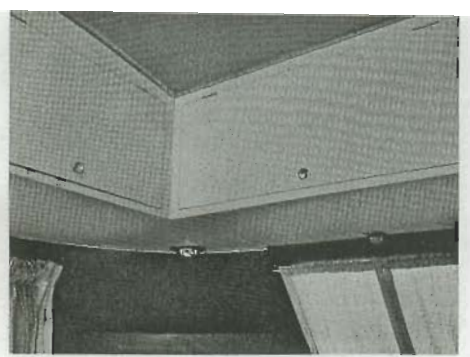

Rear compartment of TRAVALON is a completely private, comfortable bedroom with 2 single beds.

Mattresses are of 5" polyfoam with zippered slip covers of durable material. Additional mattress to fill space between single beds is available as an option making a king size sleeping area. Each single bed has individual reading light.

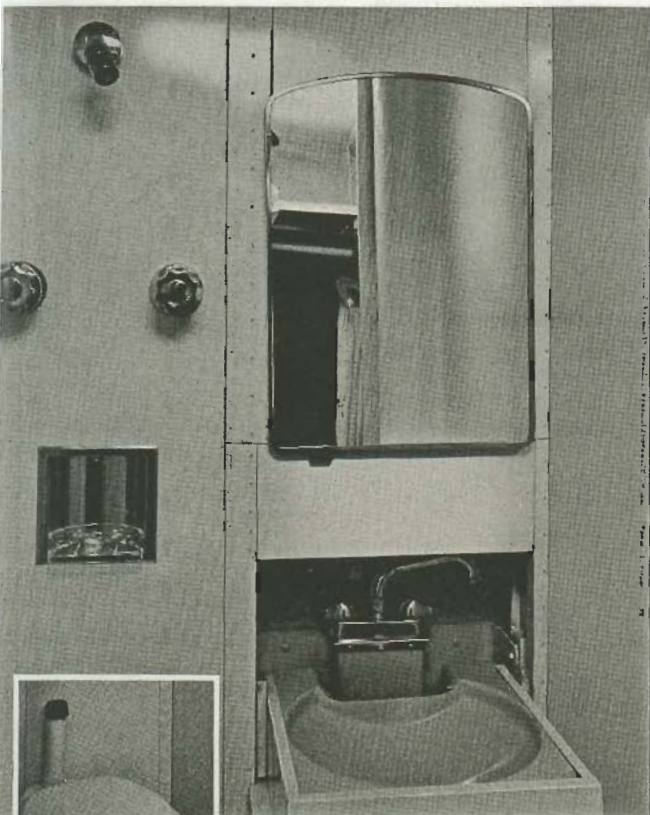

Kitchen area is well lighted—and automatic electric exhaust fan provides cooking ventilation.

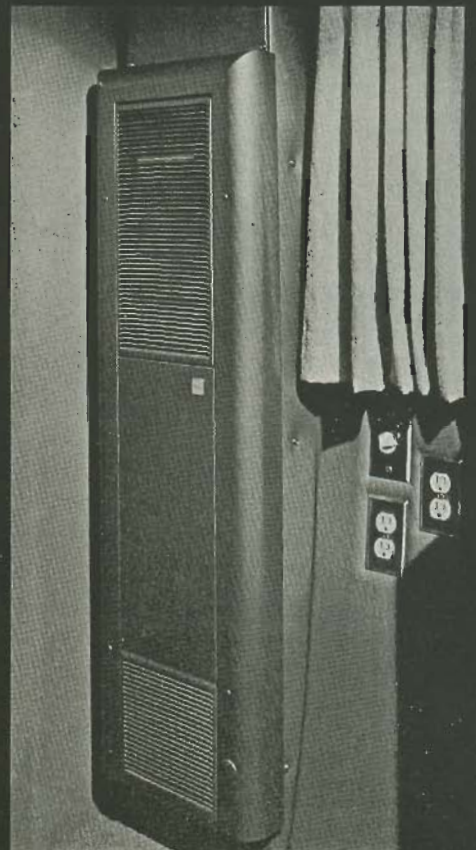

Abundant storage area is available in the bedroom.

Ample closet space allows full-length hanging of clothes.

Complete bath facilities include shower, Pullman concealed wash basin and marine toilet. A 45-gallon storage tank with an automatic water pump and a 40-gallon holding tank with sewer connection maintain adequate plumbing for the unit.

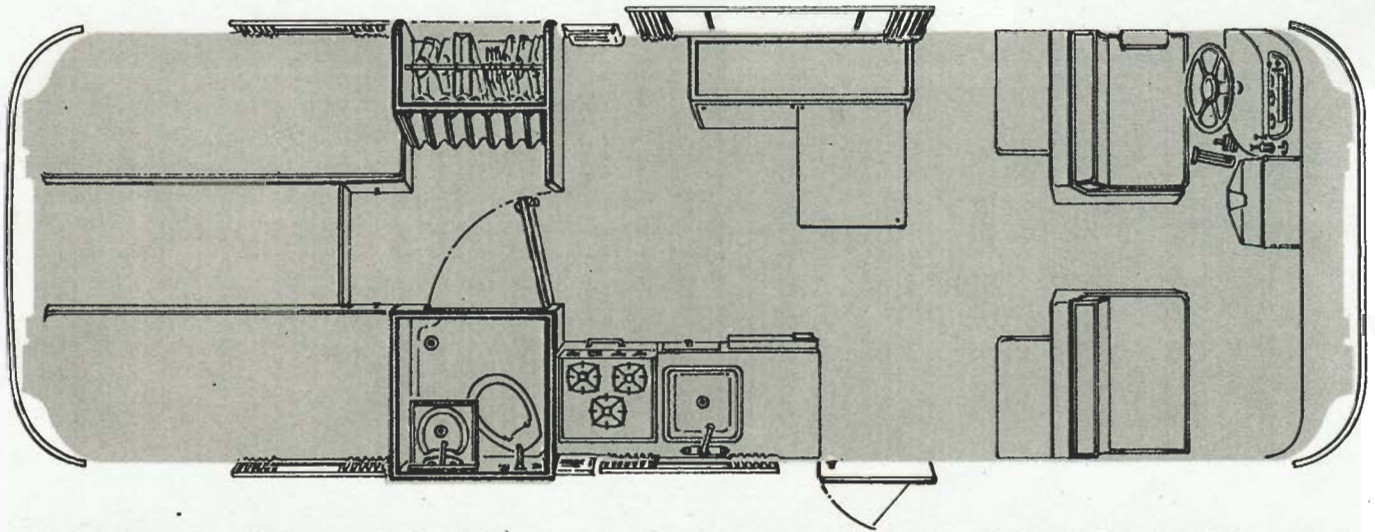

18,000 BTU thermostat controlled wall heater provides warmth for TRAVALON. Air conditioning is available as an option.

## TRAVALON 300 STANDARD EQUIPMENT

- ENGINE—6 Cylinder Aircooled, 102 H.P., 145 Cubic Inch Displacement, Automatic Transmission
- TIRES—7.00 x 13 4 ply, Dual Rear Wheels
- Glide-a-Way Coil Springs and Shock Absorbers Front and Rear
- 45 Gallon Gas Tank

FLOOR PLAN FOR MODELS 400 AND 500

All illustrations and specifications contained in this literature are based on the latest product information available at the time of publication approval. The right is reserved to make changes at any time without notice in prices, colors, materials, equipment, specifications and models, and also to discontinue models.

**WARRANTY** Prescolite Manufacturing Corporation hereby warrants to the buyer that each new vehicle is free from defects in material and/or workmanship under normal use and service; the Manufacturer's obligation under this warranty being limited to making good at its factory any part or parts thereof, which, within ninety (90) days after delivery of such vehicle to the original purchaser, the Manufacturer's examination shall disclose to its satisfaction to have been defective; and which shall be returned to the Manufacturer with transportation costs prepaid.

This Warranty is expressly in lieu of all other Warranties and representations expressed or implied and of all other obligations or liabilities on the part of the Manufacturer. No representative of the Manufacturer has authority to change this Warranty, in any manner whatsoever and no attempt to repair or promise to repair any vehicle by any representative of the Manufacturer shall change or extend this Warranty in any manner whatsoever.

The Manufacturer makes no Warranty with respect to engines,

tires, ignition apparatus, signal devices, starting devices, generators, batteries, speedometers, refrigerators, stoves, water heater, space heater, toilet, or other trade accessories inasmuch as they are usually warranted specially by their respective manufacturers. Any such warranties which are transferable are hereby transferred.

This Warranty shall not apply to any vehicle which shall have been repaired or altered outside of the Manufacturer's factory in any way so as to effect, in the Manufacturer's judgment, the stability or reliability of the vehicle, or which shall have been subject to misuse, negligence or accident.

The benefit of all Warranties made herein by the Manufacturer shall extend only to the Buyer and not to any transferee, vendee, assignee, or successor of the Buyer. It is hereby agreed that there is no Warranty expressed or implied for the benefit of any third person whatsoever.

All repair or replacement of vehicles or parts done by the Manufacturer under this Warranty shall be without charge to the Buyer, F.O.B. the Manufacturer's factory.
